

SAFETY POLICY & RULES FOR PRIVATE HIRE

Maximum numbers 50 children and 35 adults.

While Northants Venue Hire staff and management endeavour to ensure the safety of all visitors, it remains the responsibility of accompanying adults & guardians and the organising adults to supervise children while using the facility. The event organiser should ensure that there are sufficient Parents and guardians on site, and they must: Ensure enough supervising adults remain on the premises at all times. Monitor the children to ensure that they are capable of using the equipment safely, to adhere to and understand all safety signs. Ensure that the children are able to locate the organising adult at all times. Accompanying adults must accompany toddlers in the toddler area at all times. Do not let toddlers roam around the venue by themselves.

- All guests are to remain inside the building. Wear socks, keep long hair tied and keep arms and legs covered.
- ONE at a time and sensible behaviour is required on all pieces of equipment.
- There are no height restrictions for Private functions, so we ask patrons to be careful when using the framework and to adhere to the general site rules.
- No throwing of balls and keep them in the ball pools.
- No gum, food or drink to be taken onto the framework.
- No studded belts to be worn.
- Respect any instruction given by a member of staff.

Although we endeavour to have all our equipment available during the hire, we cannot be held responsible if some of the equipment has for whatever reason been closed off to the public.

There will be a minimum of two members of staff on duty. They are not there to supervise your group but only to supervise certain areas of the building and to look out for misuse of any facilities. You are responsible for the supervision and behaviour of your group. Northants Venue Hire staff will not tolerate any bad behaviour, fighting, verbal or physical abuse from children or adults and if for any reason the staff deem it necessary, they have the right to stop the party, clear the framework and close the building. In these circumstances, there will be no refunds or correspondence being entered into. You may be required to pay for any damage other than that caused through normal wear and tear. Northants Venue Hire politely reserves the right to postpone any booking at short notice due to extreme weather conditions or circumstances beyond our control.
